ARTIFICIAL INTELLIGENCE IN SCIENCE AND EDUCATION
(AISE 2025)

AISE

Directions of Work:
- AI in Education
- AI in Science
- AI in Economics
- Neural networks and machine learning

15-16.04.2025

Conference website

First Informational Announcement
We invite you to participate in the International Conference

Mission. To highlight the characteristics and applications of breakthrough artificial intelligence technologies in scientific research, economics, and educational practices.

The conference aims to familiarize participants with cutting-edge technologies and advancements in the field of artificial intelligence. It also seeks to identify effective ways to apply these innovations in scientific research, economics, and educational practices. Throughout the conference, discussions will be held on practical experiences with artificial intelligence, along with an exchange of ideas on optimal approaches to integrating AI into science and education. The conference will serve as a platform to stimulate discussions, foster collaboration among participants, and promote the development of innovative AI-driven solutions for science, economics, and education.

ARTIFICIAL INTELLIGENCE IN SCIENCE AND EDUCATION

(AISE 2025)

15-16.04.2025

KEY DATES

By 07.04.2025 – Registration of participants and submission of materials;

By 10.04.2025 – Decision of the program committee on the inclusion of materials in the program.

EVENT DETAILS

Format: online.
Event languages: Ukrainian, English.
Certificates will be provided to participants.

ORGANIZERS

- **Institute of Education Digitization, National Academy of Educational Sciences of Ukraine,**
- **State Scientific Organization "Ukrainian institute of scientific and technical expertise and information",**
- **Borys Grinchenko Kyiv Metropolitan University,**
- **Southern Ukrainian National Pedagogical University named after K.D. Ushynsky,**
- **State University "Zhytomyr Polytechnic",**
- **NGO "Innovative University",**
- **ADA University (Azerbaijan),**
- **Center for Information-analytical and Technical Support of Nuclear Power Facilities Monitoring of the National Academy of Sciences of Ukraine,**
- **Uzhhorod National University.**
